Application for the registration of the same mark in different classes shall be treated as separate and distinct applications, and in all cases where a mark is registered under the same official number for goods or services in more than one class, the registration in respect of the goods or services included in each separate class shall be deemed to be separate registration for all the purposes of the Act.

PROCEDURE ON RECEIPT OF APPLICATION FOR REGISTRATION OF A TRADE OR SERVICE MARK (regs 26-64)

26. Examination

Upon receipt of an application for the registration of a mark in respect of any goods or services the Registrar shall cause an examination to be made, amongst the registered marks and pending applications, for the purpose of ascertaining whether there are on record in respect of the same goods or services or description of goods or services any marks identical with the mark applied for, or so nearly resembling it as to render the mark applied for likely to deceive or cause confusion, and the Registrar may cause the examination to be renewed at any time before the acceptance of the application, but shall not be bound to do so.

27. Acceptance

After such an examination, and consideration of the application, and of any evidence of use or of distinctiveness or of any other matter which the applicant may or may be required to furnish, the Registrar may accept the application absolutely, or he may object to it, or he may express his willingness to accept it subject to such conditions, amendments, disclaimer, modifications or limitations as he may think right to impose.

28. Objections

If the Registrar objects to the application, he shall inform the applicant of his objections in writing, and unless within one month the applicant applies for a hearing or makes a considered reply in writing to those objections he shall be deemed to have withdrawn his application.

29. The Registrar's conditional acceptance and hearing

If the Registrar is willing to accept the application subject to any conditions, amendments, disclaimer, modifications or limitations, he shall communicate such willingness to the applicant in writing, and, if the applicant objects to such conditions, amendments, disclaimer, modifications of limitation, he shall, within one month from the date of the communication, apply for a hearing or communicate his considered objections in writing, and if he does not do so he shall be deemed to have withdrawn his application. If the applicant does not object to such conditions, amendments, disclaimer, modifications or limitations, he shall forthwith notify the Registrar in writing and alter his application accordingly.

30. Decision of the Registrar

(1) The decision of the Registrar at a hearing as in regulation 31 or regulation 32, or without a hearing if the applicant has duly communicated his considered objections or considered reply, in writing, and has stated that he does not desire to be heard, shall be communicated to the applicant in writing, and if the applicant objects to such decision he may within one month by applying upon Form TM/SM 4 require the Registrar to state in

writing the grounds of, and the materials used by him in arriving at his decision.

(2) Subject to subregulation (1) in a case where the Registrar makes any requirements to which the applicant does not object, the applicant shall comply therewith before the Registrar issues such statement in writing. The date when such statement is sent to the applicant shall be deemed to be the date of the Registrar's decision for the purpose of appeal.

31. Disclaimer

The Registrar may call upon the applicant to insert in his application such disclaimer as the Registrar may think fit, for the public to understand what are the applicant's rights, if his mark is registered.

32. Advertisement of an application

When the Registrar has accepted an application for the registration of a mark or of a series of marks absolutely or has accepted it subject to conditions or limitations to which the applicant does not object, he shall promptly, advertise it in the Trade and Service Marks Journal.

33. Advertisements of corrections and rectifications

The Registrar shall in like manner promptly advertise any rectifications and corrections of marks made under sections 36 and 39 of the Act.

35. Notice of opposition

The notice shall include a statement of the grounds upon which the opponent objects to the registration. If registration is opposed on the ground that the mark resembles marks already on the register, the numbers of such marks and the numbers of the Journals in which they have been advertised shall be set out. The notice shall be accompanied by a duplicate which the Registrar shall forthwith send to the applicant.

36. Counter-statement

Within sixty days from the receipt of such duplicate the applicant shall send to the Registrar a counter-statement on Form TM/SM 6 setting out the grounds on which he relies as supporting his application. The applicant shall also set out what facts if any, alleged in the notice of opposition he admits. The counter-statement shall be accompanied by a duplicate.

37. Evidence in support of opposition

Upon receipt of the counter-statement and duplicate the Registrar shall forthwith send the duplicate to the opponent and within sixty days from the receipt of the duplicate the opponent shall leave with the Registrar such evidence by way of statutory declaration, as he may desire to adduce in support of his opposition and shall deliver to the applicant copies thereof.

38. Evidence in support of application

If an opponent leaves no evidence, he shall, unless the Registrar otherwise directs, be deemed to have abandoned his opposition but, if he does leave evidence, then, within sixty days from the receipt of the copies of declarations, the applicant shall leave with the Registrar such evidence by way of statutory declaration as he desires to adduce in support of his application and shall deliver to the opponent copies.

39. Evidence in reply by opponent

Within two months from the receipt by the opponent of the copies of the applicant's declarations the opponent may leave with the Registrar evidence by statutory declaration in reply, and shall deliver to the applicant copies. This evidence

shall be confined to matters strictly in reply.

40. Further evidence

No further evidence shall be left on either side but, in any proceedings before the Registrar, he may at any time give leave to either the applicant or the opponent to leave any evidence upon such terms as to costs or otherwise as he may think fit.

41. Exhibits

Where there are exhibits to declarations filed in an opposition, copies or impressions of such exhibits shall be sent to the other party on his request and at his expense, or, if such copies or impressions cannot conveniently be furnished, the original shall be left with the Registrar in order that they may be open to inspection. The original exhibits shall be produced at the hearing unless the Registrar otherwise directs.

42. Hearing

(1) Upon completion of the evidence the Registrar shall give at least one month's notice to the parties of a date when he will hear the arguments in the case. Such appointment shall be for a date at least thirty days after the date of the notice, unless the parties consent to a shorter notice. Within fifteen days from the receipt of the notice any party who intends to appear shall so notify the Registrar on form TM/SM 7. A party who receives notice as aforesaid and who does not, within fifteen days from the receipt thereof, so notify the Registrar on Form TM/SM 7 may be treated as not desiring to be heard and the Registrar may act accordingly.

(2) If the Registrar fails to notify the parties of a date for hearing within three months of the completion of the evidence or fails to issue his decision within three months after the conclusion of the hearing, the opponent or the applicant may, after having given the Registrar one month's written notice, elect to refer the matter to the court for hearing and determination. The Registrar shall then transmit all relevant documents to the court.

43. Extension of time

Where in opposition proceedings any extension of time is granted to any party, the Registrar may thereafter, without giving the said party a hearing, grant any reasonable extension of time to any other party in which to take any subsequent step.

44. Security for costs

Where a party giving notice of opposition or an applicant sending a counter-statement after receipt of a copy of such a notice neither resides nor carries on business in Tanzania the Registrar may require him to give security, for the costs of the proceedings before the Registrar, for such amount as to the Registrar may deem fit.

45. Costs in uncontested case

In the event of an opposition being uncontested by the applicant, the Registrar in deciding whether costs should be awarded to the opponent shall consider whether proceedings might have been avoided if reasonable notice had been given by the opponent to the applicant before the notice of opposition was lodged.

46. Non-completion

Where registration of a mark is not completed within twelve months from the date of the application by reason of default on the part of the applicant, the Registrar shall on Form 01 give notice in writing to the applicant at his trade or business address of the non-completion, but if the applicant has authorized an agent for the purpose of the application he shall instead send the notice to the agent and shall send a duplicate thereof to the applicant. If after thirty days from the date when the notice was sent, or such further time as the Registrar may allow, the registration is not completed, the applicant shall be deemed to be abandoned.

47. Entry in register

As soon as may be after the expiration of sixty days from the date of the advertisement in the Trade and Service Marks Journal of any application for the registration of mark, the Registrar shall, subject to any opposition and the determination thereof, and subject to the provisions of section 28(1), and upon payment of the prescribed fee on Form TM/SM 8 enter the mark in the register. The entry of a mark in register shall give the date of registration, the goods or service in respect of which it is registered together with the particulars of the trade, business, profession, occupation or other description of the proprietor.

48. Associated marks

Where a mark is registered as associated with any other mark or marks the Registrar shall note in the register in connection with the first-mentioned mark the numbers of the marks with which it is associated and shall also note in the register in connection with each of the associated marks the number of the first-mentioned mark as being a mark associated therewith.

49. Death of the applicant before registration

In case of the death of any applicant for the registration of mark after the date of his application, and before the mark applied for has been entered in the register, the Registrar, after the expiration of the prescribed period of advertisement and the determination of any opposition to the application, may, on being satisfied of the applicant's death enter in the register, in place of the name of such deceased applicant the name, address, and description of the person owning the mark, on such ownership being proved to the satisfaction of the Registrar to be the successor.

50. Certificate of registration

Upon the registration of a mark the Registrar shall issue to the applicant a certificate in the Form 02, and shall affix thereto a copy of the mark, which may be a representation thereof supplied by the applicant under regulation 23.

51. Renewal of registration

At any time not more than three months before the expiration of the last registration of a mark any person may leave at the office a fee for the renewal of the registration of the mark upon Form TM/SM 9, and, if he is not the registered proprietor, shall sign a statement on the Form that he is directed by the registered proprietor to pay the fee (if such be the case) and shall give his address; before taking any further step, the Registrar may either—

- (a) require the person leaving the fee to furnish within ten days an authority to pay the fee signed by the registered proprietor, and if he does not furnish such authority may return the fee and treat it as not received; or
- (b) communicate with the registered proprietor stating that the fee has been received and that the registration will in due course be renewed.

52. Notice of renewal

The Registrar shall notify the registered proprietor in writing of the approaching expiration of the term of registration and of the conditions as to payment of fees and other requirements necessary for obtaining renewal at least six months before the expiration date of the last renewal. Failure to send or receive the reminder, or any error in the reminder, shall not affect the expiration date.

53. Second notice

At a time not less than fourteen days and not more than one month before the expiration of the last registration of a mark the Registrar may, if no fee upon Form TM/SM 9 has been received, send a notice in writing to the registered proprietor at his trade or business address as well as at his address for services, if any.

54. Removal and restoration of a mark from the Register

Where, at the expiration of one month from the date of expiration of the mark the fees therein mentioned have not been paid, the Registrar may remove the mark from the register as of the date of the expiration of the last registration, but may, upon payment of the renewal fee upon Forms TM/SM 9 and TM/SM 10 together with a restoration fee upon Form TM/SM 11, restore the mark to the register if satisfied that it is just so to do, and upon such conditions as he may think fit to impose.
